

PA Turnpike MS4 Contractor Training

Who needs to take the training?

- All prime contractors with an active contract in 2021. This includes Contractors with any contracts open or punch list items leftover from previous years.
- All subcontractors are encouraged to take this training as well, particularly if they are performing the E&S work on the project.
- For personnel - Any staff installing, maintaining or inspecting E&S BMPs and anyone that reports to the PTC representative.

What if we do not have any current work with the PTC but are the apparent low bidder later in the year?

- If you are an apparent low bidder, later in the year, you will be required to complete this training before E&S work begins.

How is this tracked?

- When you complete each section, the user will receive an email verifying completion of each step.
- The PTC can see who completed each section, results and any submitted feedback information.

How do I find the online training?

- You can access it here:
https://forms.office.com/Pages/ResponsePage.aspx?id=5KH5DXH00UyD_TvXmDaMJQtIpicmYIVDrnuNrNo1211UQkw4S0g0T1pER1NTMkxYMTU2RjNJTFIxVS4u
- A link has also been added to EBS under the resources tab.

What if I do not receive an email to take the training or receive an email in between the steps?

- If you do not receive an email, please be sure to type your email address correctly at the start of each step.
- If you still have problems, contact us at MCM4Training@paturnpike.com
